

Prime Cure HAART Formulary 2020

PLEASE NOTE: Provider Trade Names are not listed on formulary, allowing for any generic substitution below or equal to Medicor Reference Pricing (MRP)

Abbreviations used:

HAART: Highly Active Antiretroviral Therapy
 NRTIs: Nucleotide Reverse Transcriptase/NRTIs/ Nucleoside Reverse Transcriptase/PI-Protease Inhibitor; Int. Inh. Integrase Inhibitor

KEY TO QUANTITIES AND LIMITATIONS

1. "Therapeutic ChronoLine™" means the 14 month chronic medication (on formulary) can be obtained from the DSP (Designated Service Provider), there after chronic registration is required.
2. "Therapeutic ChronoLine™ Pre-Auth" means the medication is approved subject to registration with Medicor ChronoLine™.
3. "Consumables - Clinic use only" means the medication may only be administered by a DSP at the rooms. Injectables are consumables. No scripting to patients to collect from DSP pharmacies.
4. "HIV DMP" means Prime Cure's HIV/AIDS Disease Management Programme which is a voluntary programme
5. All items marked as either Chronic or PAB, to be supplied by a Registered DSP Chronic Medication Supplier (DSP Pharmacy), approved GP or contracted Courier Pharmacy).
6. Benefits for medicine are subject to Medicor Reference Price (MRP). Should the cost of the items exceed the MRP, the patient will be liable for payment of the difference in cost. If this is the case, please inform the patient that the cost difference will be for his/her own personal account.
7. Medication formulary contact details: Tel: 0861 665 665 OR Email: pcauth@medicor.co.za or chronicdep@primecure.co.za or hivdmp@primecure.co.za
8. Medication listed below will be approved as chronic therapeutic treatment, post exposure prophylaxis and as Pre-exposure prophylaxis subject to Managed Care protocols.
